

## About

Hey, I am a self-taught UI/UX Designer with almost a year of experience currently based in Bangalore. I am passionate about creating seamless digital experiences by blending design and functionality. I enjoy working in interdisciplinary teams and exploring different aspects of both digital and physical design. Besides my daily work, I like playing video games, taking photographs, and constantly learning new design trends.

## Education

Ahalia School of Engineering and Technology

GPA: 7.0

B.Tech in Computer Science

2020 - 2024

## Experience

UI/UX Designer Intern

07/2024 - Present

Lazy Idli Pvt. Ltd. | Bangalore, Karnataka

Internship

- PlayOS - Designed a B2C sports booking app and dashboard for PlayArena from scratch, creating wireframes, UI components, and seamless user experiences for both mobile and web platforms.
- Created the company website for Project Teho, showcasing their innovative F1 racing simulator as one of the flagship products, with a focus on simple and aesthetic design.
- CricketOS - Designed a B2B software for tablets used by Straight Drive, which operates automatic bowling machines, enabling players and operators to input player details, select match information, and access the game data screen displaying detailed game statistics.

UI/UX Associate Engineer

06/2024 - 07/2024

Codefast Technology | Remote

Full-Time

- Created a restaurant table reservation app, designing the logo, wireframes, and UI for both customer and admin screens, ensuring an intuitive and user-friendly experience.
- Designed an E-Learning platform for students to prepare for entrance exams and 10th & 12th syllabus courses, designing intuitive user interfaces and seamless learning experiences.
- Designed multiple landing pages, posters, and a logo, focusing on visually appealing and cohesive branding.

UI/UX Designer Intern

05/2024 - 06/2024

EazyByts Infotech | Remote

Internship

- Designed 5+ websites within a month, completing weekly assignments and ensuring timely delivery of high-quality web designs.
